# Designed For Business!

Offering outstanding performance with dual line fax capability \*\*\*, large memory and high capacity paper handling features, the Samsung SF-830 will enhance the productivity of your office.

## Superior Business Center Fax

- Dual Line Fax System \*\*\***  
Send and receive faxes simultaneously by attaching a second modem giving you the benefits of using two fax machines in one.
- High Speed Transmission**  
Transmission can be twice as fast sizes thanks to an advanced Super G3 33.6Kbps modem with JBIG compression.
- 1.5 Second Quick Scan**  
With 1.5 second quick scan you can instantly scan documents into memory to save on valuable time.
- 11MB Fax memory (Up to 880 pages)**  
Up to 880 pages can be stored in memory if you run out of paper
- High Volume Paper Capacity for Heavy Users**
  - 50 page ADF (Automatic Document Feeder)
  - Standard 550 sheet paper cassette
  - (Expand up to 1,100 sheets with additional 550 sheet cassette)
  - User-adjustable 100 Sheet Bypass tray for special media like cards, labels, etc.
- High Productivity with Dual Access**  
Send or receive faxes while printing or copying.
- Quick Memory Transmission**  
Save even more time by continuing to scan additional pages while transmission is taking place.

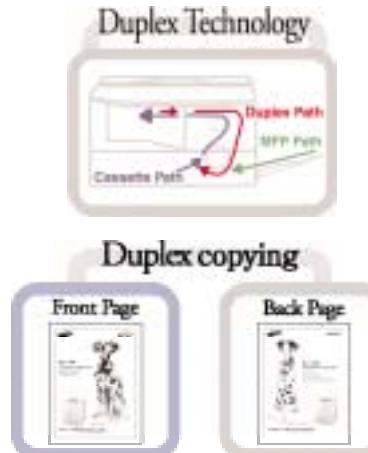

## Convenient Copier

- 12 Copies per Minute Copying**
- 1200 dpi Enhanced Resolution**
- Wide Zoom Range from 50 to 200%**

## Duplex Technology Saves Paper

- Duplex Copy / Fax receiving**  
Automatically copy and receive faxes on the both sides of the sheet.

## Advanced Features

- Low Toner Notification**  
If the toner is low, the SF-830 will send the information by fax to your dealer, so they can inform you of the low toner level and purchasing information.
- 72 Hour Battery Backup**  
Incoming faxes will be stored in the event of a power failure.
- More!**
  - Batch Transmission
  - Remote Diagnostics
  - Extensive Reports
  - Department Codes
  - Group Dialing

## Samsung's Exclusive "Push & Save" Technology Saves You Money!

- Toner Save**  
Samsung's ASIC chip technology reduces toner usage by controlling the size of each printed dot. Printouts in Toner Save mode are slightly lighter but with the same accuracy as in normal mode.

- Power Save**  
Save immediately on power consumption by allowing the Fax to go into Power Save mode.

- Paper Save**  
You can copy & fax 2 pages onto 1 sheet of paper (2-up copy)

- Toll Save**  
Allows delayed transmission of a stored document when phone rates are lowest.
